The plan of action is to have one DGCA certified pilot and two observers in all police districts. Remote Pilot in Command (RPIC) is responsible for the overall safety during drone operations. Observers (Co-Pilot) duty is to operate the UAS's equipment with RPIC. The District Police Chief concerned, where DGCA Certified Pilots / observers are not allotted/instructed to take necessary action to train at least one Police Officer in DGCA Certified Pilot Course and 2 Police Personnel on drone flying basic training, from their respective districts, in co-ordination with the Drone Forensic Lab, Thiruvananthapuram.

The District Police Chiefs concerned will be the custodian of Drone and equipment. DGCA Certified Pilot (RPIC) in the concerned district is the authorized person for operating Unmanned Aircraft System (UAS). The District Police Chief shall conduct Drone Operations using the trained Police Officers in their respective districts.
